Dear Parents and Guardians,

I hope this message finds you well. I am writing to update you on the recent Ofsted progress meeting held at Lord's School. As partners in your child's education, I believe it is important to share this information with you directly.

The recent Ofsted inspection resulted in feedback largely focused on one specific area: the absence of a Key Stage 2 (KS2) curriculum at our school. It is important to clarify that we do not provide a KS2 Curriculum and this aspect has heavily influenced the overall outcome of the inspection.

I want to assure you that the inspection result does not accurately reflect the quality of education and the curriculum we provide at Lord's School. Our dedicated staff continues to deliver a robust and engaging educational experience tailored to the needs of our students. We focus on fostering an environment where students thrive academically, socially, and personally.

We have had a Quality assurance Audit by the Bolton Council, and they were amazed with the level of teaching which takes place here. A report will follow.

We are committed to ensuring that every child receives a well-rounded education that meets and exceeds national standards.

Thank you for your continued trust and support. If you have any questions or concerns, please do not hesitate to contact the office.

Warm regards,
